

To Whom it May Concern:

My name is Kara Pelletier and I reside in the town of Stratford, CT. I am currently enrolled in a Applied Behavior Analysis graduate program and am hoping to become a Board Certified Behavior Analysis within the next year.

I am writing to you to eagerly support SB 1089 sections 23-29. As a provider of ABA services in Connecticut to children and their families, I wholeheartedly believe it is vital to all consumers of ABA services that this bill is passed.

Thank you for your consideration.

Sincerely,

Kara Pelletier
